## ABOUT ME

I'm a Full-Stack developer with more than 3 years of experience in Django and more than 2 years of experience in react js and next js. I love problem-solving, commitment to staying up-to-date with the latest technologies, delivering innovative and user-friendly solutions.

## WORK EXPERIENCE

Full-Stack Developer

### Freelance Experience

I gained experience as front-end and back-end development, responsive design, and website optimization through a freelance platform. I have honed my ability to effectively communicate with clients, understand their requirements, and translate their vision into functional and visually appealing websites. It allows me to quickly understand new concepts and deliver tailored solutions.
